### A GUIDE TO THE STATISTICS

**Player Data:** All player ages are correct as of January 1st 2011. The player statistics in this album refer to league performances only up until the end of the 2009/10 season, and therefore do not include appearances in cups or any other competitions. Welcome to Topps Premier League 2011, the official sticker collection of the Barclays Premier League and a fantastic guide to the 2010/11 season.

As ever, there is plenty of action on offer in the Barclays Premier League this season. The race for the title and European places is wide open and there are sure to be twists and turns at the bottom of the table too. The 20 clubs continue to put on fantastic football matches and the emergence of young home-grown players, such as Jack Wilshere, Gareth Bale and Marc Albrighton, is great to see.

I would like to take this opportunity to welcome Ian Holloway and his Blackpool side to the Barclays Premier League. Blackpool are the 44th club to compete in the League and we're thrilled to have them with us. I'd also like to congratulate the other promoted sides, West Bromwich Albion and Newcastle United, on their return to the top flight and wish good luck to all 20 clubs for the 2010/11 season.

A stylized, handwritten signature in white ink, likely belonging to Richard Scudamore.
